

Memo of Agreement Regarding Articulation
Between University College and
Community College of Beaver County

PURPOSE

The Pennsylvania State University (PSU), through the University College (UC) for Penn State Beaver, Penn State Brandywine, Penn State Dubois, Penn State Fayette, Penn State Greater Allegheny, Penn State Hazleton, Penn State Lehigh Valley, Penn State Mont Alto, Penn State New Kensington, Penn State Schuylkill, Penn State Shenango, Penn State Wilkes-Barre, Penn State Worthington Scranton and Penn State York (PSU UC campuses) and Community College of Beaver County (CCBC) establish this Memorandum of Agreement Regarding Articulation to facilitate the matriculation of students from CCBC to the PSU UC campuses. The purpose of the agreement is to provide a pathway for students who have successfully completed a transfer associate degree program at CCBC to transition to a parallel baccalaureate degree program at the PSU UC campuses. The agreement defines admission criteria and processes, evaluation of transfer credits and academic advising services to support students in their transition from CCBC to the PSU UC campuses.

PROCEDURES

A. Admissions Requirements

Students apply to a Penn State UC campus by submitting the Penn State undergraduate admissions application and official transcripts from high school, CCBC and any other colleges or universities attended. The admissions application fee will be waived.

Students must complete an AA or AS transfer degree program with a minimum grade point average of 2.0 and must successfully complete (C or higher grade) all specific courses required for entry to the PSU parallel baccalaureate program.

GPA is calculated from all attempted and completed courses from CCBC and from all colleges/universities previously attended. The GPA will be calculated using all courses and grades, including repeated courses.

The Penn State majors included in terms of the agreement are the Bachelor of Arts and Bachelor of Science in Administration of Justice (AJACC/AJSCC), Bachelor of Science in Business (BSBCC); Bachelor of Arts in Communications (COMCC); Bachelor of Arts in English (ENGCC); Bachelor of Science in Human Development and Family Studies (HFSCC); Bachelor of Arts in Letters, Arts and Sciences (LASCC); and the Bachelor of Arts and Bachelor of Science in Psychology (PYACC/PYSCC). In addition, the agreement will include specific program-to-program articulation for the Bachelor of Science in Organizational Leadership (OLEAD) authorized for delivery at New Kensington by the College of The Liberal Arts, and the RN to Bachelor of Science in Nursing (NURN), authorized for delivery by the College of Nursing at Fayette, New Kensington and Shenango. All programs are not delivered at every campus.

Majors not specified above, including majors at other Penn State college and campuses are not covered by the terms of this agreement. Therefore, students admitted under this agreement who seek to enter a major at another Penn State college/campus, would be evaluated based on the advanced standing admissions criteria of that college and campus.

B. Evaluation of Transfer Credits

CCBC courses, evaluated as equivalent to Penn State courses or approved as general credit within a discipline; and, transferred with grades of C or higher, will be added to the student's Penn State academic transcript by the Undergraduate Admissions Office

Transferability of courses not specified in the attached guides will be reviewed by the Office of Undergraduate Admissions on a case-by-case basis.

Program-to-program transfer guides outlining the specific course equivalencies and approved substitutions for each academic program are included in the agreement. The guides were developed in consultation with CCBC and University College disciplinary faculty, and were subsequently approved by the University College Associate Dean for Academic Programs. Transferability of courses not specified in the attached guides will be reviewed by the University College on a case-by-case basis and according to the evaluations maintained by the Undergraduate Admissions Office transfer equivalency tables recorded in the student information system.

Credit evaluation for other prior learning activity, for example, advanced placement, military educational experience and credit by portfolio will be assessed according to Penn State policy and through the process established by the University College.

Every student shall earn as a degree candidate at least 36 of the last 60 credits required for a baccalaureate degree and at least 18 of the last 30 credits required for an associate degree in courses offered at Penn State.

C. Academic Advising and Transition

The PSU UC campuses and CCBC will maintain course equivalency information on their respective websites and admissions and course articulation information will be made available to students through the transfer advising services at CCBC.

The PSU UC campuses will offer an academic orientation to transferring students for the purpose of providing academic advising, and orientation to academic and technology resources, student life and career services, and financial aid and billing information.

D. Update/Report/Relationship

PSU UC campuses and CCBC agree to review the agreement and relevant transfer course equivalencies annually and will each assign an individual to serve as liaison for the purpose of monitoring this agreement. CCBC will notify the PSU UC campus liaison upon any modification of curriculum that could impact the articulation of equivalent courses or the requirements of CCBC associate programs. PSU UC campus will notify the CCBC liaison of any modifications of curriculum that could impact articulation of equivalent courses or the requirements of PSU UC campus baccalaureate programs. This agreement may be amended, as needed, for specific course or program articulation without affecting the currency of the master agreement.

E. Amendments and Term of Effect

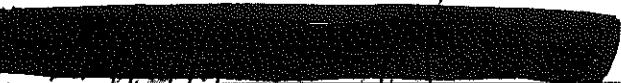

This document constitutes the entire agreement and terms of understanding between Penn State on behalf of the PSU UC campuses and CCBC, and supersedes any other prior agreements or understandings between the two parties.

The master agreement will be reviewed every five years by both parties and will be revised as necessary. For renewal all revisions are to be approved by each institution's official signatories.

This master agreement may be terminated by either party upon written notice to the other party of an intention to terminate. Such notice will be effective only if given 180 days prior to the intended date of termination. In the event that this agreement is terminated, curriculum transfer guides, in effect at the time a student first enrolls at CCBC, will be honored for students who complete an AA or AS degree program and successfully transfers to a UC campus within four years of their first enrollment at CCBC.

| Total CCBC Credits | | 63 | Total PSU Credits | | 63 | |

* Students are required to have completed MATH 130 at CCBC (College Algebra) prior to transfer.

Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.

Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns 60 credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study.

**Community College of Beaver County Associate in Humanities/Social Science
Penn State Baccalaureate in Arts in Letters, Arts and Sciences**

The evaluation of prior college courses not appearing below is done on an individual basis by the Penn State Admissions Office. Students should work closely with their academic adviser at CCBC and with the Penn State Admission office when scheduling courses.

In order to be eligible for entrance to the major, the student must submit a proposal. In consultation with an LAS adviser, the student formulates a proposal designing a program that investigates a theme from the viewpoint of at least three different subject areas. Students may not duplicate existing majors from any academic area. An important standard for entrance to the Letters, Arts, and Sciences major is the student's ability to design a program with academic integrity worthy of a bachelor of arts degree.

Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.

Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns 60 credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study.

Program to Program Articulation

Community College of Beaver County Associate in Applied Science
Penn State Baccalaureate in Science in Nursing (NURN)

The B.S. Nursing degree is designed for Registered Nurses with an associate degree or diploma in Nursing, who wish to complete a baccalaureate degree in Nursing. The evaluation of prior college courses not appearing below is done on an individual basis by the Penn State Admissions Office. Students should work closely with their academic adviser at CCBC and with the Penn State Admission office when scheduling courses. *Delivered by the College of Nursing at Penn State Fayette, New Kensington and Shenango*
